

# HOT JOB OF THE WEEK

---

## RISK MANAGEMENT SPECIALIST

*Department of Agriculture, Risk Management Agency*

Would you like to preserve and strengthen the economic stability of America's agricultural producers? Would you like to be a part of a dynamic organization that leads our rapidly evolving food and agriculture system? This may be the job for you!

You will be a Risk Management Specialist.

\* The Department of Agriculture provides leadership on food, agriculture, natural resources, and related issues based on sound public policy, the best available science, and efficient management. To learn more about USDA, visit: [www.usda.gov](http://www.usda.gov)

**In your position as a Risk Management Specialist in the Department of Agriculture you will:**

- Develop and maintain new and existing crop policies
- Work on insurance programs administered by the Agency
- Be a part of the [Federal Career Intern Program](#)

**Requirements:**

- You must be a United States citizen
- You must have a Bachelors degree in any field of study with [Superior Academic Achievement \(SAA\)](#), or a Graduate Degree with a major in agriculture, agricultural economics, or farm management.

**Salary:** \$35,116 - \$42,955 (starting salaries vary and may be based in part on superior academic achievement and/or previous work experience)

**Location:** Multiple locations

**Application Deadline:** Wednesday, August 13, 2008 (this is a rolling application, so apply early!)

**Contact Information:** FARM SERVICE AGENCY  
Phone: (816)926-6781  
TDD: 800-735-2966
