

# HOT JOB OF THE WEEK

---

## Federal Air Marshal

### *Transportation Security Administration*

We are your neighbors, friends and relatives. We are 43,000 security officers, inspectors, directors, air marshals and managers who protect the nation's transportation systems so you and your family can travel safely. We look for bombs at checkpoints in airports, we inspect rail cars, we patrol subways with our law enforcement partners and we work to make all modes of transportation safe.

USAjobs.gov control number: 1449731

---

#### **In your position as a Federal Air Marshal you will:**

- Investigate, apprehend or detain individuals suspected or convicted of offenses against the criminal laws of U.S. air carriers, airports, passengers and crews.
- Administer, coordinate or perform inspectional, investigative, analytical or advisory work to ensure compliance with federal laws, regulations or other mandatory guidelines.
- Participate in multi-agency task forces and in land-based investigative assignments involving other federal, state and local agencies to proactively fight terrorism at all levels.

#### **Requirements:**

- You must be a United States Citizen or National above 21 years of age.
- This position requires a Top Secret Security Clearance as well as drug and alcohol screening.
- This position requires employees to engage in moderate to arduous physical exertion. Employees must meet and maintain medical requirements for law enforcement officers (including medical examinations and physical abilities assessments).

**Salary:** \$38,500 - \$60,000 per year

**Location:** Vacancies Throughout U.S.

**Application Deadline:** February 17, 2009
