

HOT JOB OF THE WEEK

Animal Health Technician

United States Department of Agriculture

You can make a difference! The U.S. Department of Agriculture's (USDA) National Animal Health Emergency Response Corps (NAHERC) needs bright, energetic, and committed veterinary professionals to protect the health and care of animals and plants in the United States.

The NAHERC assists in the federal response to domestic and international animal disease outbreaks, threats, or natural disasters. By applying to this announcement, you will be answering our call for help. Qualified applicants will have their name and credentials added to the NAHERC emergency roster. Once on this list, should our nation be faced with an emergency, you may be called to serve. Be part of an organization that protects the health and agriculture of the American people.

Join our team!
