

# HOT JOB OF THE WEEK

---

## Food Inspector

*United States Department of Agriculture –  
Food Safety and Inspection Service*

Protecting public health through food safety and defense is the mission of the Food Safety and Inspection Service (FSIS). As an employee of one of the largest public health agencies in the U.S. Government, you have the satisfaction of protecting public health through food safety and food defense.

USAjobs.gov control number: 554699

---

### **In your position as a Food Inspector you will:**

- Provide the first line of defense by ensuring that regulated meat, poultry and egg product establishments produce safe products by executing appropriate inspection methods in privately owned meat or poultry slaughter and processing plants.
- Ensure that food products are fit for human consumption in compliance with federal laws governing the wholesomeness and purity of meat and poultry products.

### **Requirements:**

- You must be a United States Citizen.
- Must submit to a background investigation.

**Salary:** \$29,700 - 36,800 per year

**Location:** Vacancies throughout the United States

**Application Deadline:** September 15, 2009

**Contact Information:** FSIS HRFO Service Teams  
(800) 370-3747
