

HOT JOB OF THE WEEK

Economist

Department of Labor, Bureau of Labor Statistics

The Bureau of Labor Statistics (BLS) is an independent national statistical agency, highly respected in the statistical community. We strive to be accurate, timely, relevant, innovative, objective and transparent in all that we do.

We seek energetic leaders of the future. By joining an accomplished staff of economists and other professionals, you can help us generate some of the key measures of the Nation's labor market, such as the Unemployment Rate, the Consumer Price Index and the Employment Cost Index.

As an employer of choice, what can BLS offer you? BLS has something to offer everyone!

USAjobs.gov control number: 1043614

In your position as an Economist you will:

- Collect, process, analyze and disseminate essential statistical data to the American public, the U.S. Congress, other federal agencies, state and local governments, business and labor.
- Help develop measurement techniques for economic analysis.
- Write and edit articles, reports and other communications published by BLS.

Requirements:

- U.S. Citizenship
- Degree in economics, or in any related field that included at least 21 semester hours in economics and 3 semester hours in statistics, accounting or calculus.

Salary: 31,751.00 - 51,124.00 USD per year

Location: Vacancies nationwide

Application Deadline: October 23, 2009
